The beach is just 200 metres away and the site is situated in a pine-forest along Minho river what makes it rather attractive. It is possible to swim and fish in the estuary of the river as well as in the beautiful beach of Caminha.

Cimo da Vinha is a family-managed Nature Tourism complex, where a farm from several generations back has been transformed with accommodations and equipment to - with all the comfort and harmony - receive visitors looking for a total immersive experience in the tranquility of the countryside

Fused in balance with the Natural elements, its fluid and modern architecture respects and pays tribute to local landscape and constructions, making it possible to spend the night in: charming wooden Glamping tents integrated within the vineyard; staying

in a cozy Granary-house or even chose between one of our three Suites with view to the stunning Mountains and the (almost) infinite horizon. Wood and lots of light are key elements and instruments that bring our structures closer to the surrounding Green, but their comfort and functionality are also a vital part of our concept.

Inside the property walk along paths lined with vines, flowers or cherry trees, which will lead you to the Gastrobar, pool and terrace, in a serene fusion between Natural and Human creation.

The campsite is located 8 km from Oporto, in front of a beautiful northern beach. It is a large campsite frequented on weekends and during holiday periods by northern people. Some areas of the campsite have grass and there are many shades. It includes Mobile-homes and swimming-pool.

We recommend the visit of Oporto, where we point out, among others, the Stock Exchange Palace, The Serralves Foundation, Ribeira with the typical taverns where you can taste regional food, and a visit to one of the Port wine cellars where you can taste regional food, and a visit to one of the Port wine cellars (including wine degustation).

Moreover, with the same concept of Glamping Lima Escape created a zone of Glamour tents decorated in an oriental style, equipped with comfortable double beds and ottomans and served by wooden balconies, tables and chairs, all in the surroundings natural and stunning views over the river Lima.

As one more essential service for your leisure Lima Escape opened a restaurant "Adega do Artur" (Arthur's Cellar) which offers a wide choice of quality dishes for the needs of tourists and locals since its location at the entrance of the campground.

Lima Escape also offers a wide range of activities and entertainment for all tastes. Since hiking, biking or jeep or horse riding until tasting of local vines (vinho verde), visits to the natural lakes and waterfalls and other unexpected discoveries of flora and fauna of the Peneda-Gerês National Park.
