Situated in the Centre of Barcelos, the Art'Otel is a Boutique Guest House that works in a beautiful building built around 1937, at the beginning of the 20th century. Recently rebuilt, offers unique rooms, with different decorations, all with a private bathroom, a seating area, an outdoor patio and private parking yet.

Some parts are made to measure, others were subjected to a thorough and careful selection and recovery. Each room has your personality, betting on a sole and exclusive decoration, but the taste is constant.

It is a few minutes walk from the main monuments and sights of the city, as well as your shopping area, with emphasis on the fair field, where weekly, on Thursdays, it follows the traditional Feira de Barcelos, known for your grandeur, richness and diversity and that happens ever since the 15th century.

The perfect retreat for unforgettable days...
