After the great success in Lisbon, Funchal, and Portimão, the 3D Fun Art Museum finally opened this month in Porto city at 712 Faria Guimarães Street, on December 8th. With the promise of an interactive and immersive experience, the 3D Fun Art Museum Porto aims to enchant visitors of all ages. This unique museum in Porto provides a one-of-a-kind experience with optical illusions and 3D-effect images, where three-dimensional art comes to life, stimulating imagination and critical thinking. Visitors will have the opportunity to become part of the artworks and take creative and original photos with their mobile phones or cameras.

WORLD OF DISCOVERIES is an Interactive Museum and Theme Park that recreates the fantastic odyssey of the Portuguese navigators, crossing oceans to discover an unknown world.

At the WORLD OF DISCOVERIES the multimedia content provides a multi-sensorial experience. Some of the technological features as 4D Globes and Fog Screens are completely unprecedented in the country.

For the first time in Portugal, as happens with the world renowned "Pirates of the Caribbean", WORLD OF DISCOVERIES tells stories based on meticulously prepared life-size scenarios that are built in a creative way, inviting the visitor to travel in time.
